NOTICE

EDL-SDP on Python Programming and SQL Free Certification Program for BBA-CA Students

Dear BBA-CA Students. Foresight College is excited to announce an **Everyday Learning - Student Development Program (EDL-SDP)** on **Python Programming and SQL**, organized in collaboration with **ExcelR**. This program is an excellent opportunity for students to enhance their technical skills and earn a **participation certificate** at no cost.

Program Details:

- **Topics:** Python Programming and SQL
- **Duration:** 30 Hours (2 hrs Per Day)
- **Commencement Date:** 27th November 2023
- **Schedule:** 15 Days (Mon to Fri)
- **Timing:** 7:00 PM – 9:00 PM
- **Certification:** Free Participation Certificate from ExcelR

Registration Link:

<https://www.excelr.com/excelr-free-courses-registration-form>

We encourage all BBA-CA students to register and actively participate in this program.

For additional details or queries, please contact:

Report

ON

EDL-SDP (EVERYDAY LEARNING - STUDENT DEVELOPMENT PROGRAM)

Foresight College of Commerce, in collaboration with ExcelR, conducted an **Everyday Learning - Student Development Program (EDL-SDP)** exclusively for BBA-CA students. The program focused on equipping students with technical and practical skills in Python Programming and SQL, key competencies in today's data-driven world.

Program Details:

- Topics Covered: Python Programming and SQL
- Total Duration: 30 Hours (2 hrs Per day)
- Date: 27th November 2023 onwards
- Schedule: 15 Days (Mon to Fri)
- Timing: 7:00 PM to 9:00 PM
- Certification: Free Participation Certificate from ExcelR

Objective: The program aimed to provide BBA-CA students with hands-on experience and foundational knowledge in Python and SQL, bridging the gap between academic curriculum and industry requirements. By participating, students gained practical exposure to essential tools used in programming and database management.

Principal
Foresight College of Commerce
Pune

Highlights of the Program:

1. **Expert Sessions:** The sessions were delivered by professionals from ExcelR, ensuring high-quality instruction.
2. **Interactive Learning:** Students actively participated in live coding sessions and SQL queries, enhancing their practical skills.
3. **Industry-Relevant Skills:** The curriculum focused on real-world applications of Python and SQL.
4. **Convenient Timing:** The program's schedule (7:00 PM – 9:00 PM) allowed students to balance academics with skill development.
5. **Certification:** A participation certificate from ExcelR was provided, adding value to students' professional credentials.

Participation: The program saw enthusiastic participation from BBA-CA students, with registrations facilitated through an online platform. Faculty members also supported the initiative by promoting it within the college.

Outcome:

1. Students gained in-depth knowledge of Python programming and SQL, crucial for careers in data analysis, software development, and database management.
2. The program enhanced students' confidence and readiness for industry challenges.
3. Participants appreciated the structured approach and practical focus of the sessions.

Conclusion: The Everyday Learning Student Development Program was a significant step in fostering technical competency among BBA-CA students at Foresight College of Commerce. The collaboration with ExcelR provided a valuable platform for students to learn from industry experts. The success of this program reflects the college's commitment to student growth and development.

Acknowledgment: We extend our sincere gratitude to ExcelR for their expertise and support in conducting this program. Special thanks to the organizing team, faculty members, and participants for making this initiative successful.

Report

Business Entrepreneurship Program

Foresight College successfully conducted a comprehensive **Business Entrepreneurship Program/Seminar** on 12th January 2024, aimed at equipping participants with practical skills, knowledge, and strategies for entrepreneurship. The event was attended by students, faculty, and aspiring entrepreneurs, making it a resounding success.

Overview of the Program:

- **Objective:** To foster entrepreneurial thinking and provide insights into starting, managing, and growing a business.
- **Target Audience:** College students and aspiring entrepreneurs from various fields.
- **Duration:** Spanning 30 hours, the program was divided into sessions covering theoretical concepts, practical workshops, and interactive discussions.

Key Highlights:

1. Expert-Led Sessions:

- Renowned entrepreneurs and industry experts delivered insightful talks on topics like business ideation, financial management, and market strategies.
- Sessions included Q&A rounds, allowing students to clarify doubts and engage in meaningful discussions.

2. Interactive Workshops:

- Practical activities focused on business model development, risk assessment, and innovation strategies.
- Students worked in groups to brainstorm ideas and present mock business plans.

3. Case Studies and Real-World Applications:

[Signature]

Principal

Foresight College of Commerce
Pune

- Participants analyzed case studies of successful startups, gaining valuable lessons on overcoming challenges in the entrepreneurial journey.

4. Networking Opportunities:

- Attendees had the chance to connect with peers, mentors, and industry professionals during breakout sessions.

Program Impact:

- The program was highly praised for its engaging content and practical approach.
- Participants reported increased confidence in their entrepreneurial abilities and a clearer understanding of business fundamentals.
- Several students expressed their interest in launching their own ventures in the near future.

Feedback and Conclusion:

- The feedback from attendees was overwhelmingly positive, with many appreciating the detailed sessions and interactive format. The 30-hour duration allowed for in-depth exploration of entrepreneurship concepts, making the program an enriching experience for all.

Foresight College remains committed to promoting entrepreneurship and innovation among students and looks forward to organizing similar programs in the future.

NOTICE

EDL-SDP on NLP, ChatGPT, and Prompt Engineering Program Free Certification Opportunity

Dear Students,

Foresight College is delighted to announce an exciting program on NLP (Natural Language Processing), ChatGPT, and Prompt Engineering in collaboration with ExcelR. This program is an excellent opportunity to gain hands-on knowledge in cutting-edge AI technologies and receive a **participation certificate** for free.

Program Details:

- **Topics:** NLP, ChatGPT, and Prompt Engineering
- **Duration:** 15 Days (Mon-Fri)
- **Start Date:** 18th December 2023
- **Timing:** 7:00 PM to 9:00 PM (2 hrs Per Day)
- **Certification:** Free Participation Certificate from ExcelR

Registration Link:

<https://www.excelr.com/excelr-free-courses-registration-form>

We encourage all students to register and actively participate in this program to gain valuable insights into the rapidly evolving field of AI.

For any queries or further details, contact:

Report

NLP, ChatGPT, and Prompt Engineering Program

Foresight College of Commerce, in collaboration with ExcelR, successfully conducted an exclusive program focusing on **Natural Language Processing (NLP)**, **ChatGPT**, and **Prompt Engineering** for students. The program aimed to equip participants with essential AI and machine learning skills, enhancing their technical capabilities and preparing them for the fast-evolving tech industry.

Program Details:

- Topics Covered: NLP, ChatGPT and Prompt Engineering Program
- Total Duration: 30 Hours (2 hrs Per day)
- Date: 18th Dec 2023 onwards
- Schedule: 15 Days (Mon to Fri)
- Timing: 7:00 PM to 9:00 PM
- Certification: Free Participation Certificate from ExcelR

Objective:

The primary objective of the program was to provide students with foundational knowledge and hands-on experience in NLP, ChatGPT, and Prompt Engineering. This program bridged the gap between theoretical academic learning and industry-relevant skills, offering students an opportunity to gain practical exposure to state-of-the-art AI tools.

[Signature]
Principal
Foresight Co. Commerce
Pune

Scanned with OKEN Scanner

Highlights of the Program:

1. **Expert Sessions:** The program featured live, interactive sessions delivered by industry professionals from ExcelR, ensuring high-quality, real-world instruction.
2. **Interactive Learning:** Students actively engaged in hands-on coding sessions, working on NLP tasks, exploring ChatGPT applications, and mastering prompt engineering techniques.
3. **Industry-Relevant Skills:** The curriculum was carefully curated to focus on practical applications of NLP, ChatGPT, and Prompt Engineering, equipping students with tools directly applicable to modern industries.
4. **Convenient Timing:** The evening schedule (7:00 PM – 9:00 PM) allowed students to effectively balance their academic commitments while gaining technical proficiency.
5. **Certification:** Participants received a **free participation certificate** from ExcelR, a valuable addition to their professional credentials.

Participation:

The program saw enthusiastic participation from **students**, who registered through an online platform. The faculty members played an important role by actively promoting the program and encouraging students to participate.

Outcome:

- Students gained an in-depth understanding of NLP techniques, ChatGPT capabilities, and Prompt Engineering, essential for careers in AI, data analysis, and automation.
- The program enhanced students' confidence and readiness to face industry challenges in AI and related fields.
- Participants appreciated the structured approach of the program, which focused on practical, hands-on learning.

Conclusion:

The NLP, ChatGPT, and Prompt Engineering program was a crucial step in fostering technical competency among BBA-CA students at Foresight College of Commerce. The collaboration with ExcelR provided students with a platform to learn from industry experts and gain exposure to real-world AI applications. The success of this program highlights the college's dedication to enhancing student learning and preparing them for the demands of the modern workforce.

Acknowledgment:

We would like to express our sincere gratitude to **ExcelR** for their expertise and support in conducting this program. Special thanks to the organizing team, faculty members, and participants who made this initiative a great success.

NOTICE

Foresight College, through the **Department of Commerce**, is excited to announce a **Certificate Course on Tax Process & Practices**, designed to provide students with a deep understanding of the tax system, compliance, and practical applications in the field of taxation.

Date of Course Start: 3rd October

Duration: 10:00 AM to 12:00 PM

Venue: Foresight College Auditorium

Course Highlights:

- **In-depth Knowledge:** Gain comprehensive insights into the tax processes, regulatory frameworks, and compliance practices.
- **Practical Applications:** Learn through case studies and real-world scenarios to apply tax knowledge effectively.
- **Expert Sessions:** Interact with professionals and industry experts to understand current tax practices.
- **Certification:** Upon completion, participants will receive a certificate from the Department of Commerce at Foresight College.

Who Should Enroll:

- Students pursuing Commerce, Finance, Accounting, or related fields
- Professionals seeking to enhance their tax knowledge and skills
- Anyone interested in understanding the nuances of tax processes

Certificate Course on Tax Process & Practices

Conducted by the Department of Commerce, Foresight College

Course Start Date: 3rd October

Duration: 10:00 PM to 12:00 PM

Venue: Foresight College Auditorium

Foresight College, through the Department of Commerce, launched a comprehensive **Certificate Course on Tax Process & Practices** aimed at providing participants with a deep understanding of tax systems, compliance, and practical applications. The course was designed to cater to students, professionals, and anyone interested in expanding their knowledge of taxation and its real-world applications.

Course Overview:

The course began on 3rd October and was carefully structured to provide both theoretical knowledge and practical insights into the taxation process. It consisted of a series of sessions covering the fundamentals of tax processes, regulatory frameworks, compliance, and tax practices. This course aimed to equip participants with the necessary skills to understand and navigate the complexities of the tax system.

Key Highlights:

1. In-depth Knowledge:

- The course provided a detailed understanding of the tax process, including the laws, rules, and regulatory frameworks that govern taxation in both national and international contexts.
- Participants learned about direct and indirect taxation, tax filing procedures, and the importance of compliance in business operations.

Foresight C.

Pune

Department of Commerce

Scanned with OKEN Scanner

2. Practical Applications:

- The course emphasized real-world tax scenarios and case studies, allowing students to apply their knowledge in practical situations.
- Sessions included hands-on exercises where students created mock tax reports, calculated tax liabilities, and analyzed financial documents to understand tax implications in different business environments.

3. Expert Sessions:

- Industry professionals and experts in the field of taxation conducted guest lectures, sharing their insights on current trends and practices in the taxation industry.
- Participants had the opportunity to interact directly with tax consultants, legal professionals, and accountants to gain a better understanding of the real-world applications of tax processes.

4. Certification:

- Upon successful completion of the course, participants received a certificate from the Department of Commerce at Foresight College, validating their proficiency in the area of tax processes and practices.
- The certification provides students and professionals with an edge in the competitive field of finance and accounting.

Course Outcomes:

- Participants gained a thorough grounding in the tax process, helping them make informed decisions in their professional careers or entrepreneurial ventures.
- The course helped students and professionals increase their competence in tax filing, auditing, and compliance, which are vital skills for success in today's business world.

Feedback:

- The course received positive feedback from participants, who appreciated the practical approach and the opportunity to learn directly from experts in the field. The blend of theoretical content and real-world applications made the learning experience rich and engaging.

Conclusion:

The Certificate Course on Tax Process & Practices by the Department of Commerce at Foresight College successfully provided students and professionals with the skills needed to understand and apply tax processes. This course marked a significant step in Foresight College's ongoing effort to enhance students' practical knowledge and prepare them for the evolving demands of the business and financial sectors.
