Foresight College of Commerce NSS Volunteers Shine on Teachers' Day with Tree Plantation Drive

NSS Volunteers Step into the Shoes of Teachers and Promote Green Initiatives

In a heartwarming tribute to their mentors on Teachers' Day, the National Service Scheme (NSS) volunteers of Foresight College of Commerce went beyond the classroom to organize a tree plantation drive. This unique initiative saw students temporarily don the role of teachers, imparting knowledge about environmental conservation and sustainability.

As the sun dawned on Teachers' Day, the college campus was buzzing with enthusiasm as NSS volunteers, under the guidance of the NSS Program Officer, embarked on their green mission. The volunteers had meticulously planned the tree plantation drive as a gesture of gratitude to their teachers and as a means to contribute positively to the environment.

The NSS volunteers, armed with saplings and gardening tools, transformed into 'eco-teachers' for the day, educating their fellow students about the importance of trees in maintaining ecological balance, mitigating climate change, and enhancing the overall quality of life. The sessions were not only informative but also interactive, fostering a sense of responsibility towards the environment.

The tree plantation drive was executed with precision, and several species of native trees were carefully planted across the college campus. The students took pride in taking care of their newly planted green companions, understanding that nurturing these trees would be a continuous responsibility.

Mr. Faizan Shaikh, the NSS Program Officer representative, commended the enthusiasm and commitment of the NSS volunteers, stating, "Teachers' Day is not just about honoring our mentors; it's also about imbibing their values and teaching. Our NSS volunteers have done a fantastic job by actively participating in this tree plantation drive. They have not only

monstrated their love for nature but also their readiness to take on responsibilities that go beyond the classroom."

The initiative received accolades from both students and faculty, with many expressing their appreciation for the NSS volunteers' dedication to environmental conservation. Several students also pledged to take part in future initiatives aimed at making the college campus greener and more sustainable.

Foresight College of Commerce has set a remarkable example of how Teachers' Day can be celebrated not only by paying homage to educators but also by embodying the principles they instill in their students. This tree plantation drive will undoubtedly leave a lasting impact on the college community, nurturing a culture of environmental awareness and responsibility.

In a world where environmental issues continue to be a pressing concern, Foresight College of Commerce and its NSS volunteers have shown that education is not confined to textbooks and classrooms but extends to the environment, society, and the world at large.
