Foresight College of Commerce NSS Volunteers Shine on Teachers' Day with Tree Plantation Drive

NSS Volunteers Step into the Shoes of Truckers and Promote Green Initiatives

In a heartwarming tribute to their mentors on Teachers' Day, the National Service Scheme (NSS) volunteers of Foresight College of Commerce went beyond the classroom to organise a tree plantation drive. This unique initiative saw students temporarily don the role of teachers, imparting knowledge about environmental conservation and sustainability.

As the sun dawned on Teachers' Day, the college campus was buzzing with enthusiasm as NSS volunteers, under the guidance of the NSS Program Officer, embarked on their green mission. The volunteers had meticulously planned the tree plantation drive as a gesture of gratitude to their teachers and as a means to contribute positively to the environment.

The NSS volunteers, armed with saplings and gardening tools, transformed into 'eco-teachers' for the day, educating their fellow students about the importance of trees in maintaining ecological balance, mitigating climate change, and enhancing the overall quality of life. The sessions were not only informative but also interactive, fostering a sense of responsibility towards the environment.

The tree-planting drive was executed with precision, and several species of native trees were carefully planted across the college campus. The students took pride in taking care of their newly planted green companions, understanding that nurturing these trees would be a continuous responsibility.

N. Faizan Shaikh, the NSS Program Officer representative, commended the enthusiasm and commitment of the NSS volunteers, stating, "Teachers' Day is not just about honoring our mentors; it's also about imbibing their values and teachings. Our NSS volunteers have done a fantastic job by actively participating in this tree plantation drive. They have not only

...demonstrated their love for nature but also their readiness to take on responsibilities that go beyond the classroom.*

The initiative received accolades from both students and faculty, with many expressing their appreciation for the NSS volunteers' dedication to environmental conservation. Several students also pledged to take part in future initiatives aimed at making the college campus greener and more sustainable.

Foresight College of Commerce has set a remarkable example of how Teachers' Day can be celebrated not only by paying homage to educators but also by embodying the principles they instill in their students. This tree plantation drive will undoubtedly leave a lasting impact on the college community, nurturing a culture of environmental awareness and responsibility.

In a world where environmental issues continue to be a pressing concern, Foresight College of Commerce and its NSS volunteers have shown that education is not confined to textbooks and classrooms but extends to the environment, society, and the world at large.

Secretary Mr. Shalish Mehta acknowledged the trainers for practically acquainting the students and staff about operating EVM. IQAC Coordinator Ms. Roena Shaikh proposed the vote of thanks. Over 50 students benefited from this training programme.

The training programme successfully created awareness and familiarised the students on using EVM through hands-on demonstration. It strived to achieve the core values of contributing to the national development and promoting the use of technology.

Foresight College of Commerce NSS Unit Pays Tribute to Krantiveer Savitribai Phule on Birth Anniversary

3rd Jan 2024- The National Service Scheme (NSS) unit of Foresight College of Commerce marked the birth anniversary of the esteemed social reformer Krantiveer Savitribai Phule with a visit to her statue, paying homage to the pioneer in the field of education and women's rights.

On 3rd Jan 2024, the NSS unit, comprising dedicated students and faculty members, gathered at the college premises before proceeding to the statue of Krantiveer Savitribai Phule located at Phule wada, Ganj peth. The occasion was chosen to coincide with the birth anniversary of the great social reformer, who played a pivotal role in advocating for the education of women and marginalized sections of society during the 19th century.

The students, dressed in NSS uniforms, assembled with banners and placards displaying quotes and messages inspired by Savitribai Phule's vision for education

and social equality. The NSS unit's visit aimed to not only honor the legacy of the iconic figure but also to inspire a sense of responsibility and social consciousness among the participating students.

During the event, Asst. Prof. Arman Shaikh, NSS-Program officer, addressed the gathering, highlighting the significance of Krantiveer Savitribai Phule's contributions to education and the empowerment of women. The speaker emphasized the relevance of Phule's teachings in the contemporary context and urged students to draw inspiration from her unwavering commitment to social justice.

Following the brief ceremony, the NSS unit observed a minute of silence as a mark of respect to Krantiveer Savitribai Phule. Flowers were laid at the base of the statue, symbolizing the students' gratitude and commitment to continuing the legacy of social reform and education.

The event concluded with a pledge taken by the NSS members to actively contribute to community service, promote education, and work towards creating a more equitable society. The NSS unit expressed their gratitude to the college administration for supporting and facilitating this meaningful tribute to a trailblazer in the history of Indian social reform.

Foresight College of Commerce NSS unit remains committed to organizing such events that foster a sense of social responsibility and contribute to the holistic development of its students.

The event provided a platform for young scientists to present their ideas, interact with peers, and gain insights from experienced judges and educators.

Many students from BBA-CA/BBA/BBA-IB and BCOM participated in this visit. This visit was conducted under the guidance of Asst. Prof. Heena Shaikh, BBA-CA Coordinator. The event promoted knowledge sharing and encouraged future research endeavors by recognizing and rewarding outstanding scientific projects. Held in the university's main auditorium, the exhibition featured over 50 project stalls, each managed by student

teams presenting their research across various fields such as Physics, Chemistry, Biology, Environmental Science, and Technology.

The event also included workshops and live demonstrations on topics like robotics and renewable energy, providing additional learning opportunities. Networking sessions facilitated interactions among students, educators, and industry professionals, fostering collaboration and idea exchange. The event concluded with an award ceremony recognizing the best projects, which further motivated students to pursue scientific excellence. The best part of the event was the student's interaction where they enthusiastically presented their projects to the visitors, demonstrating their experiments, prototypes, and research findings. They also engaged in discussions, answering questions, and receiving feedback.

The event concluded with an award ceremony where the best projects in each category were recognized. Feedback from participants and visitors was overwhelmingly positive. Many students expressed their gratitude for the opportunity to showcase their work and learn from others.

Pune, January 12, 2024

In a collaborative effort aimed at empowering young women, the NSS Department of Foresight College of Commerce, in partnership with the Internal Quality Assurance Cell (IQAC) and the Rotary Club of Pune Camp, organized a transformative event titled ASMITA on National Youth Day. With the participation of 150 enthusiastic girls, the event focused on instilling crucial life skills, including financial literacy, mental health awareness, self-defense techniques, and tech-savviness.

Mr. Anil Murka, President of the Rotary Club of Pune Camp, extended a warm welcome to all participants, emphasizing the significance of the event in nurturing confidence and resilience among young women.

Addressing the gathering, Asst. Prof. Arman Shakh from the NSS Program Office of Forensic College of Commerce, outlined the objectives of the ASMITA event. He stressed the importance of equipping young women with essential life skills to navigate the complexities of the modern world effectively.

The ASMITA event featured interactive workshops and sessions facilitated by experts in various fields. Participants were provided with practical knowledge and tools to enhance their financial management skills, prioritize mental health and well-being, learn self-defense techniques for personal safety, and develop proficiency in utilizing technology for personal and professional growth.

In a significant gesture of support and empowerment, every daughter attending the event was presented with a thoughtful goodie bag containing essential items to enhance their personal safety and well-being.

The contents of the goodie bag included:

IQAC & Placement Cell in Collaboration with LightHouse Community's Foundation conducted a 12 days soft skill programme.

Foresight College of Commerce in collaboration with LightHouse Community Foundation conducted a 12 days Soft Skills Programme for the students of BBA / BBA-CA / BCOM and BBA-IB in college campus.

It is a very popular term nowadays, used to indicate personal transversal competences such as social aptitudes, language and communication capability, friendliness and ability of working in a team and other personality traits that characterize relationships

between people. Soft Skills are traditionally considered complementary to Hard Skills, which are the abilities to perform a certain type of task or activity. Soft Skills are strategic to be successful in personal and professional life and are essential for the students when they try to obtain any kind of job.

Enterprises generally hire new employees, in particular recent graduates, taking more in consideration their Soft Skills than their Hard Skills. This happens also for technical professions, because the company, in order to be competitive, needs to create good and effective teams and a collaborative working atmosphere. The departments of the college have organized various types of activities to develop the soft skills of the students enrolled with the institution. These activities of the departments and platforms available helped the learners to learn and acquire soft skills like Communication Skills, Presentation Skills, Written Communication, Interpersonal Skills, Creativity and Leadership etc. In order to improve the communicative abilities of the students they want to Communicate More Effectively. Use Intentional Techniques to Build Stronger Relationships—Personal and Professional. ...The College Magazine to enhance the written communication of the students play a significant role. The students are given in depth lessons by organizing workshops, state level elocution competition, interfaculty debates and group discussions and expert talks of the quality speakers and the trainers throughout the academic year. These activities benefit the students to enhance the knowledge of use of language and its spoken aspect. It helped the students for their development of communication skills. To improve the Presentation Skills the departments conducted seminars for the students. The students get to participate and perform an active role in the Seminars. Topics are given to them to prepare and present to assess their performance. Every year the departments make the organization of such seminars a regular feature of the campus. Date: February 11, 2024

Event: "My River My Valentine" Initiative by PMC, Pune

The NSS Unit of Fergusson College of Commerce enthusiastically participated in this initiative, aiming to make a tangible difference in the environmental health of the rivers and their surroundings.

February 11, 2024: The NSS Unit members gathered at the designated meeting point near the banks of the Mula and Mutha rivers at 7:30 AM. Upon arrival, they were briefed about the importance of the cleanup initiative and the significance of their role in preserving the water bodies. The activities conducted during the event included:

- NSS volunteers actively participated in a comprehensive cleanup drive along the banks of both rivers. Equipped with gloves, garbage bags, and other necessary tools, they meticulously collected litter and debris, ensuring the cleanliness of the riverbanks.

In addition to the cleanup efforts, the NSS Unit conducted an awareness campaign to educate the local community about the importance of maintaining clean and healthy rivers. Volunteers distributed informative pamphlets and engaged in discussions with passersby, emphasizing the need for collective action in preserving natural resources.

The collected waste was segregated into recyclable and non-recyclable categories by the NSS volunteers. Recyclable materials were separated for proper disposal or recycling, while non-recyclable waste was disposed of responsibly, adhering to environmental regulations and guidelines.

- The NSS Unit members worked collaboratively in teams, fostering a sense of teamwork and camaraderie. They supported each other throughout the cleanup process, maintaining efficiency and ensuring the successful completion of the initiative.

Impact: The participation of the NSS Unit of Fergusson College of Commerce made a significant impact on the cleanliness and preservation of the Mula and Mutha rivers. By actively engaging in cleanup activities and raising awareness within the community, the NSS volunteers contributed to the enhancement of the environmental quality of the rivers and their surroundings. Conclusion: The participation of the NSS Unit in the "My Sister My Valentine" initiative exemplifies their dedication to community service and environmental stewardship. Through their collective efforts, they demonstrated a commitment to making a positive difference in the local environment. The event served as a reminder of the importance of individual and collective action in safeguarding natural resources for present and future generations.

Foresight College of Commerce Reveres Tradition in Vibrant Celebration

In a colorful display of reverence for tradition and culture, Foresight College of Commerce came alive on February 17, 2024, as students, faculty, and staff joined hands to celebrate the institution's Traditional Day.

Amidst an atmosphere resonating with enthusiasm and nostalgia, the college's corridors echoed with laughter and camaraderie as participants adorned themselves in traditional attire representing the rich tapestry of cultures from across the globe.

The day commenced with a ceremonial lighting of lamps, symbolizing the enlightenment that education brings. This was followed by a series of captivating cultural performances showcasing the diverse heritage of the college community. From mesmerizing dance routines to soulful musical

traditions, every performance transported the audience on a journey through time and tradition.

One of the highlights of the event was the traditional food fest, where culinary delights from various cultures tantalized taste buds and fostered a spirit of culinary appreciation and exchange.

Dr. N.H. Shaikh, Principal of Foresight College of Commerce, expressed his delight at the overwhelming response to the event, stating, "Traditional Day is not just an event; it's a celebration of our roots, our identity, and our unity as a community. It's heartening to see our students embrace diversity and celebrate it with such fervor."

Students, too, echoed similar sentiments, emphasizing the importance of such events in fostering a sense of belonging and mutual respect. "Events like these remind us of the beauty of diversity and the strength it brings to our community. It's a day where we can all come together, irrespective of our backgrounds, and celebrate what makes us unique," remarked Fairaz Shaikh, a first-year student.

As the sun set on Foresight College of Commerce's Traditional Day celebrations, it left behind memories of joy, camaraderie, and cultural enrichment. Through events like these, the college continues to uphold its commitment to nurturing not just academic excellence but also a spirit of inclusivity and cultural appreciation that transcends boundaries.
