Criterion 7- Environmental Consciousness and Sustainability

7.1.3 The facilities in the Institution for the management of the following types of degradable and non-degradable waste

The institution is committed to sustainable waste management practices, ensuring compliance with environmental standards. It employs various strategies to manage solid, liquid, biomedical, e-waste, and hazardous waste effectively.

1. Solid Waste Management

- **Waste Segregation:** Segregation of waste into biodegradable and non-biodegradable categories is practiced at the source, using color-coded bins installed across the campus.
- **Composting Units:** Organic waste such as food scraps and garden waste is processed in composting units to produce organic manure, which is used for campus landscaping.
- **Recycling Initiatives:** Non-biodegradable waste, such as plastic and paper, is sent to authorized recycling agencies.
- **Awareness Programs:** Students and staff are regularly educated about reducing and reusing solid waste through campaigns and workshops.

2. Liquid Waste Management

Rainwater Management: Excess rainwater is directed into recharge pits, reducing runoff and promoting groundwater replenishment.

AISHE CODE: C-41344

NAAC: B++

3. Biomedical Waste Management

Periodic training is provided to staff and students involved in biomedical waste handling to ensure compliance with safety standards.

4. E-Waste Management

- **E-Waste Collection Drives:** The institution organizes periodic collection drives for electronic waste, such as outdated computers, printers, and other equipment.
- **Refurbishing:** Functional components of discarded electronics are refurbished and reused where possible, reducing overall e-waste.

5. Waste Recycling System

- **Paper Recycling:** Used paper from offices and classrooms is collected, processed, and recycled for reuse in administrative work or student projects.
-

6. Hazardous Chemicals and Radioactive Waste Management

- **Safety Measures:** Personal protective equipment (PPE) and proper training are provided to personnel handling hazardous substances

The institution's comprehensive waste management system ensures minimal environmental impact while promoting sustainability. Through proactive measures, recycling systems, and adherence to legal norms, the campus serves as a model for responsible waste management practices.

Program Activities

The program commenced at 9:00 AM with an inaugural ceremony held at Foresight College of Commerce's auditorium. The Principal of Foresight College, Dr.N.B.Shaikh, and the Director of Jan Shikshan Sansthan, Ms. Anjali Sharma, addressed the gathering, emphasizing the importance of cleanliness and the role of youth in the Swachh Bharat mission.

Key Activities:

1. Cleanliness Drive:

- Volunteers, including students, faculty members, and local residents, participated in a cleanliness drive.
- The drive covered the college campus, nearby streets, and public parks.
- Participants were provided with gloves, masks, and cleaning equipment.

2. Awareness Campaign:

- A series of awareness sessions were conducted, focusing on the harmful effects of plastic pollution and the benefits of recycling.
- Posters and pamphlets were distributed to educate the community on waste segregation and sustainable practices.

3. Tree Plantation:

- A tree plantation drive was organized to promote a greener environment.
- Over 100 saplings were planted in the college premises and surrounding areas.

4. Competitions and Workshops:

- Various competitions, such as poster making, essay writing, and slogan writing, were held to engage students creatively.
- Workshops on composting and recycling were conducted by environmental experts.

Impact and Feedback

The "Swachhata Hi Seva" program witnessed enthusiastic participation from over 500 students and community members. The event successfully raised awareness about cleanliness and environmental sustainability. Participants expressed their willingness to continue contributing to the Swachh Bharat mission.

Conclusion

The collaborative efforts of Foresight College of Commerce and Jan Shikshan Sansthan, Pune, in organizing the "Swachhata Hi Seva" program significantly impacted the local community. The event not only emphasized the importance of cleanliness but also encouraged proactive participation in maintaining a clean and green environment. Such initiatives play a crucial role in fostering a culture of cleanliness and environmental responsibility among the youth and the community at large.

NSS Unit Participation in "My River My Valentine" Initiative

Date: February 11, 2024

Event: "My River My Valentine" Initiative by PMC, Pune

Location: Mula and Mutha Rivers, Pune

Participants: NSS Unit of Foresight College of Commerce

Principal
Foresight College of Commerce
Pune

Objective:

The primary objective of the event was to actively contribute to the cleanliness and preservation of the Mula and Mutha rivers in Pune, organized under the "My River My Valentine" initiative together with the ELC Club, WE Foundation, and the Pune Municipal Corporation (PMC). The NSS Unit of Foresight College of Commerce enthusiastically participated in this initiative, aiming to make a tangible difference in the environmental health of the rivers and their surroundings.

February 11, 2024-The NSS Unit members gathered at the designated meeting point near the banks of the Mula and Mutha rivers at 7:00 AM. Upon arrival, they were briefed about the importance of the cleanup initiative and the significance of their role in preserving the water bodies. The activities conducted during the event included:

NSS volunteers actively participated in a comprehensive cleanup drive along the banks of both rivers. Equipped with gloves, garbage bags, and other necessary tools, they meticulously collected litter and debris, ensuring the cleanliness of the riverbanks.

In addition to the cleanup efforts, the NSS Unit conducted an awareness campaign to educate the local community about the importance of maintaining clean and healthy rivers. Volunteers distributed informative pamphlets and engaged in discussions with passersby, emphasizing the need for collective action in preserving natural resources.

The collected waste was segregated into recyclable and non-recyclable categories by the NSS volunteers. Recyclable materials were separated for proper disposal or recycling, while non-recyclable waste was disposed of responsibly, adhering to environmental regulations and guidelines.

The NSS Unit members worked cohesively in teams, fostering a sense of teamwork and camaraderie. They supported each other throughout the cleanup process, maximizing efficiency and ensuring the successful completion of the initiative.

Impact: The participation of the NSS Unit of Foresight College of Commerce made a significant impact on the cleanliness and preservation of the Mula and Mutha rivers. By actively engaging in cleanup activities and raising awareness within the community, the NSS volunteers contributed to the enhancement of the environmental quality of the rivers and their surroundings. Their efforts also served to inspire others to take proactive measures towards environmental conservation.

Principal
Foresight College of Commerce
Pune

Conclusion: The participation of the NSS Unit in the "My River My Valentine" initiative exemplifies their dedication to community service and environmental stewardship. Through their collective efforts, they demonstrated a commitment to making a positive difference in the local environment. The event served as a reminder of the importance of individual and collective action in safeguarding natural resources for present and future generations.

Recommendations:

Encourage ongoing participation of the NSS Unit in similar environmental initiatives to sustain the momentum of community service and environmental conservation efforts.

Emphasize the importance of environmental education and outreach programs to further raise awareness and promote active participation in environmental conservation activities.

Explore opportunities for collaboration with other organizations and stakeholders to expand the reach and impact of future environmental initiatives.

Overall, the participation of the NSS Unit in the "My River My Valentine" initiative reflects their commitment to promoting environmental sustainability and fostering positive change within the community.
