REPORT

Commerce Department Organizes Experiential Learning Visit to Imagica Amusement Park

Location: Inaoka Amusement Park

The Department of Commerce at Fomnigh College of commerce, orchestrated an insightful experiential learning visit to Inaugura Amusement Park on March 7th, 2024. The excursion, aimed at providing students with practical insights into various aspects of commerce and management, witnessed enthusiastic participation from 60 eager students.

The initiative, spearheaded by the department faculty, sought to bridge the gap between theoretical knowledge and real-world applications by immersing students in an environment conducive to experiential learning.

Upon arrival, the students were greeted with an air of anticipation and excitement as they embarked on a journey that promised to blend thrill with learning. Divided into

groups, they navigated through the park, exploring its diverse attractions, each offering valuable lessons in commerce and management.

From analyzing the marketing strategies behind popular rides to understanding the intricacies of operational management required to ensure seamless visitor experiences, students actively engaged with their surroundings, extracting valuable insights at every turn.

One of the highlights of the visit was a specially curated session conducted by park management, shedding light on the behind-the-scenes operations of running a successful amusement park. Students gained firsthand knowledge about revenue generation, customer satisfaction, and the strategic decision-making processes involved in managing a large-scale entertainment venture.

Additionally, interactive workshops and discussions facilitated by faculty members encouraged students to critically evaluate their observations and relate them to the theoretical concepts learned in the classroom.

As the day drew to a close, students reflected on their experiences, acknowledging the invaluable lessons gained from the visit. The trip not only provided a refreshing break from traditional classroom learning but also instilled a deeper understanding of commerce principles in a real-world context.

Dr. N.B. Shaikh, Principal, expressed his satisfaction with the outcome of the visit, emphasizing the importance of experiential learning in shaping well-rounded commerce professionals. He applauded the students for their active participation and encouraged them to apply the knowledge gained to their academic pursuits and future endeavors.

The experiential learning visit to Inagica Amusement Park stands as a testament to the Department of Commerce's commitment to providing holistic education that extends beyond textbooks, preparing students to thrive in dynamic business environments.

India is a multi-lingual and a multi-religious country. Indian society is pluralistic in character from the religious and other political view. Since very long time people belonging to various religious communities have been living together in this country.

The concept of 'minority' in India has not been properly defined anywhere in the Indian Constitution. But 'minority status' has been ascribed to every groups.

Foresight College of Commerce NSS Volunteers Shine on Teachers' Day with Tree Plantation Drive

NSS Volunteers Step into the Shoes of Teachers and Promote Green Initiatives

In a heartwarming tribute to their mentors on Teachers' Day, the National Service Scheme (NSS) volunteers of Foresight College of Commerce went beyond the classroom to organize a tree plantation drive. This unique initiative saw students temporarily don the role of teachers, imparting knowledge about environmental conservation and sustainability.

As the sun dawned on Teachers' Day, the college campus was buzzing with enthusiasm as NSS volunteers, under the guidance of the NSS Program Officer, embarked on their green mission. The volunteers had meticulously planned the tree plantation drive as a gesture of gratitude to their teachers and as a means to contribute positively to the environment.

The NSS volunteers, armed with saplings and gardening tools, transformed into 'eco-teachers' for the day, educating their fellow students about the importance of trees in maintaining ecological balance, mitigating climate change, and enhancing the overall quality of life. The sessions were not only informative but also interactive, fostering a sense of responsibility towards the environment.

The tree plantation drive was executed with precision, and several species of native trees were carefully planted across the college campus. The students took pride in taking care of their newly planted green companions, understanding that nurturing these trees would be a continuous responsibility.

Mr. Faizan Shaikh, the NSS Program Officer representative, commended the enthusiasm and commitment of the NSS volunteers, stating, "Teachers' Day is not just about honoring our mentors; it's also about imbibing their values and teachings. Our NSS volunteers have done a fantastic job by actively participating in this tree plantation drive. They have not only

monstrated their love for nature but also their readiness to take on responsibilities that go beyond the classroom."

The initiative received accolades from both students and faculty, with many expressing their appreciation for the NSS volunteers' dedication to environmental conservation. Several students also pledged to take part in future initiatives aimed at making the college campus greener and more sustainable.

This tree plantation drive will undoubtedly leave a lasting impact on the college community, nurturing a culture of environmental awareness and responsibility.

In a world where environmental issues continue to be a pressing concern, Foresight College of Commerce and its NSS volunteers have shown that education is not confined to textbooks and classrooms but extends to the environment, society, and the world at large.

Report

IQAC & Placement Cell in Collaboration with LightHouse Community's Foundation conducted a 12 days soft skill programme.

Foresight College of Commerce in collaboration with LightHouse Community Foundation conducted a 12 days Soft Skills Programme for the students of BBA / BBA-CA / BCOM and BBA-IB in college campus.

It is a very popular term nowadays, used to indicate personal transversal competences such as social aptitudes, language and communication capability, friendliness and ability of working in a team and other personality traits that characterize relationships

between people. Soft Skills are traditionally considered complementary to Hard Skills, which are the abilities to perform a certain type of task or activity. Soft Skills are strategic to be successful in personal and professional life and are essential for the students when they try to obtain any kind of job.

Enterprises generally hire new employees, in particular recent graduates, taking more in consideration their Soft Skills than their Hard Skills. This happens also for technical professions, because the company, in order to be competitive, needs to create good and effective teams and a collaborative working atmosphere. The departments of the college have organized various types of activities to develop the soft skills of the students enrolled with the institution. These activities of the departments and platforms available helped the learners to learn and acquire soft skills like Communication Skills, Presentation Skills, Written Communication, Interpersonal Skills, Creativity and Leadership etc. In order to improve the communicative abilities of the students they want to Communicate More Effectively, Use Intentional Techniques to Build Stronger Relationships—Personal and Professional. ...The College Magazine to enhance the written communication of the students play a significant role. The students are given in depth lessons by organizing workshops, state level elocution competition, interfaculty debates and group discussions and expert talks of the quality speakers and the trainers throughout the academic year. These activities benefit the students to enhance the knowledge of use of language and its spoken aspect. It helped the students for their development of communication skills. To improve the Presentation Skills the departments conducted seminars for the students. The students get to participate and perform an active role in the Seminars. Topics are given to them to prepare and present to assess their performance. Every year the departments make the organization of such seminars a regular feature of the campus. The IQAC department conducts this kind of programme which helps the

students to learn the presentation skills and enhances the creative capabilities among them. The Group Discussion is the routine practice of the campus may it be the part of the curriculum or not. They learn the art of argument which helps them in practical life ahead and thus develop interpersonal skills among themselves.

Whistle with Keychain: A symbolic yet practical item, each participant received a whistle with a keychain for convenient and handy use. This small but impactful gift serves as a reminder for young women to raise their voices, seek help when needed, and stand up for themselves.

Mrs. Vaishali Rawalk, Vice President of the Rotary Club of Pune Camp, expressed gratitude to all attendees, organizers, and collaborators for their invaluable contributions to the success of the ASMITA event. She underscored the importance of continued
